SOME ACTION AT AUDITORIUM

Z-i-p! B-a-m! Z-o-o-i-e!

No, dear friends, a boiler has not exploded. It's only a few linguistic fireworks descriptive of Reginald Denny's latest bang-up success, a roaring, racing picture entitled "Fast and Furious," which is showing to-night and Friday night at the Auditorium Theatre, Sidney, with the popular Universal star at the wheel and a heavy boot on the accelerator.

Oh, boy! and how he does travel! If that new mystery car they brought over from England with the reputation of being able to do more than four miles a minute were matched up in a race with Denny he would pass it as though it were going backwards. And that's some speed!

There are spills . . . there are chills . . . and there are laughs and enough side-splitting comedy to last you till the cows come home. This picture is beyond question the best thing that Denny has turned out since he threw the gloves in "The Leather Pushers."

You'll never know what troubles are until you see some of the scrapes that Denny gets into in "Fast and Furious." Right from the start he has his epiglottis fibula or something or other dislocated and when you see the X-rays they took of him after they unwrapped him from his steering wheel, you'll "take it big," as they say around the studio stages.

Denny is surrounded by supporting players who provide excellent foils for his comedy antics. Barbara Worth makes a charming leading lady and Claude Gillingwater, Armand Kaliz, Lee Moran, Chas. K. French, Wilson Bengie and others are splendid in supporting roles.

"Fast and Furious" is the screen version of an original story by Denny himself, adapted to the films by Raymond Cannon and directed by Mel Brown.

MASQUERADE

An event of interest and which is being looked forward to with much anticipation is the annual masquerade dance at the Deep Cove Social Club. Aside from special prizes there will be prizes for the best dressed lady and gentleman, most original lady and gentleman and best comic costume. Schofield's orchestra has been engaged and the popularity of these masquerade dances in the past will no doubt prove a great drawing card on this occasion.

REGULAR MEETING OF UNITED CHURCH AID

The regular monthly meeting of the Ladies' Aid of the United Church was held on Wednesday afternoon of last week at the home of Mrs. Homewood, Amelia Avenue, there being a good attendance of members. The president, Mrs. Simister, occupied the chair and opened the meeting. The treasurer then read her report of the previous meeting, which was adopted as read, and the treasurer read the financial report, which was very satisfactory. A letter from Mr. and Mrs. Dudley Norbury, thanking the Ladies' Aid, the choir and the congregation for the beautiful mantle clock that was presented to them for a wedding gift, was read. It was reported that the concert given by Rev. R. W. Lee and Mrs. G. Watt of Victoria in the Auditorium on Monday, Oct. 21, was a success. Mrs. Douglas kindly invited the ladies to her home for their next meeting, which will be on Wednesday, Dec. 14. At this meeting election of officers will take place for the ensuing year, officers being Mrs. Williams and Mrs. Cowell and to take office the following month. The meeting then adjourned, and the hostess served a delicious tea.

CARDS AT DEEP COVE

By Review Representative
DEEP COVE, Nov. 17.—The regular weekly card party of the Deep Cove Social Club was held on Monday evening in the club rooms. A good number of members and friends turned out to enjoy an evening of "500" the prizes being won by Miss Iris Hearn and Mr. Copithorne. After the cards refreshments were served by Mrs. McLean and a social hour enjoyed.

LOCAL ITEMS

Mrs. J. Nelson of James Island spent a few days this week at her employed as engineer at the Hillcrest. Mr. John H. Peck, who has been Lumber Company, Duncan, for several months, has returned to his home on Fourth Street.

Born—Sunday, Nov. 13th, at St. Joseph's Hospital, a son, to Mr. and Mrs. J. Bruce Burton of "The Orchard."

Mr. and Mrs. Barrie Higgs spent the weekend visiting at the home of Mr. and Mrs. F. E. W. Smith.

Mr. Archie Higgs of Vancouver spent the weekend visiting friends and relations in Sidney and Victoria. While here he was the guest of Mr. and Mrs. Barrie Higgs.

CHURCH ANNIVERSARY

St. Paul's United Church is celebrating its eighth anniversary as a United Church on Sunday next. This church inherited the work and property of the former Methodist and Presbyterian Churches of North Saanich and Sidney. Over forty years ago the Methodist Church commenced divine service at North and South Saanich and built the two rural churches which still stand, one at Saanichton and the other opposite School Cross Road. Later the Presbyterian Church commenced service, with the development of Sidney; activities were transferred to and centralized to the town, the Presbyterian Church building the present St. Paul's Church, and the Methodist the present Wesley Hall. After years of work as separate institutions the two local bodies anticipated the United Church of Canada by five years and formed one of the first United Churches in British Columbia. The first pastor of the United Church was the Rev. T. J. Griffiths, now of Salmon Arm, who served five years and was succeeded by the Rev. M. W. Lees, who is now in his third year.

The anniversary preacher next Sunday will be the Rev. W. A. Guy, M.A., D.D., of Oak Bay United Church, Victoria, and chairman of the Victoria Presbytery. Special music will be rendered by the choir and a hearty invitation is extended to all friends to join in this anniversary service.

P.T.A. MEETING

The regular monthly meeting of the Sidney School Parent-Teacher Association was held in the school house on Tuesday evening with a good attendance in spite of the inclemency of the weather. The president occupied the chair and opened the meeting in the usual manner. The secretary's report was read and adopted. Final arrangements were made for a Christmas treat for the school children at a convenient date near Christmas. Several other matters were brought up and disposed of and it was decided to dispense with the December meeting owing to the Christmas holidays.

The meeting then adjourned and a social half hour was spent with various contests, the prize winners being Mrs. Critchley and Mrs. Deildal. Delicious refreshments were served by Mrs. Mounce, Mrs. LeVack, Mrs. Williams and Mrs. Cowell and a very pleasant time was brought to a close by the singing of the National Anthem.

BROWNIE-GUIDE TEA A SUCCESS

In spite of the heavy rain on Tuesday afternoon many turned out to Berquist Hall to attend the tea given by the Brownies' and Guides' Association.

Tea was served in the small hall at small tables and the guests were welcomed and well looked after by the many little Brownies and Guides, who looked very smart in uniform.

A candy stall with boxes and dainty floral paper baskets full of home-made candy proved a great attraction. Coline Cochran, Dulcie Brethour, Mavis Goddard and Gergette Lannartz proving to be very efficient salesladies, having disposed of all the wares.

A novelty stall at which Lilian Lidgate and Irene Long sold many pretty and useful articles such as dolls, vases, lavender and rose bags, powder puffs, centrepieces and many other dainty things, the majority of which were made by the Brownies and Guides, was also very popular.

During the afternoon Mrs. Halseth was presented with a pin for her faithful work in helping the Brownies and Guides at all times, for which she expressed her thanks.

The tea was put on by the Association for the purpose of raising funds for the carrying on of the work and they were very pleased with the results from their efforts.

FIRST ANNUAL DINNER

A delightful evening was spent by the members of the Sidney Social Club in Berquist Hall on Wednesday evening of last week, the occasion being the first annual Thanksgiving dinner party. The members and invited guests, numbering 36, sat down at the bountifully spread table, which had been beautifully decorated in autumn shades of yellows and reds with a centrepiece of flaming autumn foliage and fruit. The president, Mr. MacAulay, proposed the toast to the King, and called upon Mr. Fralick, who very ably proposed the toast to the guests, which was suitably responded to by Mr. McKay. Mr. McDonald then proposed the toast to the ladies, which was responded to by Mrs. Harrison. Mr. Halseth proposed a toast to the club.

At the conclusion of the dinner, the hall was cleared for cards, nine tables of military 500 being occupied. Playing for 20 hands resulted in first prizes being presented to table No. 9, Mr. and Mrs. Crossley, Mr. Halseth and Mr. Lloyd, who had 28 tickets, while the second prizes were awarded to Miss Iris Hearn and Messrs. J. Peck, A. Gush and B. McKay, and the consolation prizes, which were of a musical nature, went to Miss Lidgate, Miss Irene Frost, Mr. Wasserman and Mr. C. Frost. The ladies' high bid prize, which had been donated by Mr. Lloyd, was won by Mrs. Critchley on the cut from Mrs. Lidgate, and the gentlemen's high bid prize, donated by Mr. McDonald, was won by Mr. Fralick.

At the conclusion of the cards Miss Florence Hambley kindly supplied the music at the piano for a half-hour of community singing, which was heartily indulged in, at the termination of which Mr. Crossley sang two solos, which were much appreciated.

Mr. Lloyd, with his banjo, then supplied the music for the old-fashioned square dances in which everyone joined enthusiastically, bringing a very pleasant evening to a close.

Mr. Brown of Bradley Dyne met with an accident on Sunday last while in the bush chopping wood. When crossing a log Mr. Brown slipped the axe falling from his hands and he fell on the axe cutting his face, necessitating several stitches.

FIRE DESTROYS FISHING BOAT

Fire destroyed the 36-foot gasoline launch "Ivy Lynn" at the foot of Third Street, in Roberts' Bay when the cook stove was accidentally overturned.

W. Bremner of Vancouver, owner and operator of the "Ivy Lynn," was almost trapped on the boat. He was anchoring the launch in the bay when the blaze broke out and after several attempts to check the flames was compelled to jump into his rowboat alongside to save himself. The oars had been washed away and Mr. Bremner had to sit in the small vessel while he drifted ashore.

The launch was burned to the water's edge. It is partly covered by insurance.

Messrs. Copeland and Wright, local boatbuilders and machinists, rushed to the scene with fire-fighting apparatus, but the flames quickly reached the gasoline tanks and their efforts were of no avail.

Mrs. A. W. Hollands entertained at a jolly children's party on Friday afternoon in honor of her daughter, Gwen, who celebrated her 16th birthday with numerous little friends.

BAZAAR AT SAANICHTON

SAANICHTON, Nov. 17. — The ladies of Harmony Lodge, 583, L.O. B.A., are holding a bazaar in the Orange Hall, Saanichton, on Monday, Nov. 28th. The bazaar will officially open at 2 p.m. and tea will be served from 3 until 6. Home-cooking and fancy-work stalls will be a pleasing feature of the afternoon. A card party will be held in the evening after the bazaar.

NEW MANAGER

Mr. J. A. Kirkpatrick, former manager of The Stone Hardware Stores of Vermilion, Alberta, has now taken up his residence in Mr. J. Matthews' house on Third Street South. Mr. Kirkpatrick, we understand, is taking charge of the Hardware department in the Sidney Trading Co. Ltd.'s affair in every way and the committee in charge, who were responsible for its success, are being congratulated on the capable manner in which everything was conducted. The proceeds of the evening are being donated to the North Saanich branch of the Canadian Legion. The committee intends to hold another of these dances early in December when prices will be reduced and everybody will be happy, eh, what?

ARMISTICE HOP IS BIG SUCCESS

Berquist Hall was the scene of one of the most successful dances of the winter season on Friday evening when, in spite of the unsettled condition of the weather one hundred or more guests gathered at the Armistice dance. Schofield's orchestra supplied the music for the evening, presenting a new and snappy program of dance numbers which won appreciation of the dancers, who called for encore after encore.

At midnight dainty refreshments were served in the dining-room, the tables being prettily decorated with autumn foliage.

The dance was a most successful affair in every way and the committee in charge, who were responsible for its success, are being congratulated on the capable manner in which everything was conducted. The proceeds of the evening are being donated to the North Saanich branch of the Canadian Legion.

The committee intends to hold another of these dances early in December when prices will be reduced and everybody will be happy, eh, what?

Transportation Epic of North America

(1) "Tom Thumb" Pacific type locomotive that represented the Canadian Pacific at Baltimore. (2) Head-on view. (3) Early H. & O. engine at the Pageant. (4) The "Atlantic" of 1832 vintage. (5) Peter Cooper's "Tom Thumb", built in 1829, the first locomotive in North America.

The epic of transportation in America from the days when Indians trekked across the plains with their luggage on poles dragged by dogs and ponies to the present with 250-ton locomotives thundering across the country hauling hotels on wheels at 70 miles an hour was enacted at Boston recently during the Centenary Exhibition and Pageant of the Baltimore and Ohio Railroad this fall.

Canadian interest in the "Fair of the Iron Horse" was keen as this country was represented at Baltimore by the latest achievements in the way of locomotive construction. The Canadian Pacific Railway was represented by its finest and latest passenger locomotive, the latest type of Union Pacific, a 4-6-2, number No. 2239, which drew the Prince of Wales, Prince George and Premier Baldwin during their recent tour of Canada. The locomotive was built by the Canadian Pacific Railway Co. at Montreal.

On the opening day of the Pageant this powerful engine took its place alongside a half dozen other giants from the roads of various countries. Notable among these from across the water was the huge new "King George V" pride of the Great Western Railway and the fastest that England has produced. During the opening parade of these locomotives the band played "Land of Hope and Glory" and "Rule Britannia" in honor of the country they represented.

Real Indians, dressed in traditional dress, accompanied the parade on their first journey and then returned to the station to show their equipment to a host of onlookers. One of the most interesting features of the Pageant was the display of the old-time locomotives and the passenger coaches that were used for the first time in front of the public. The locomotives were built in North America being constructed in 1829. The backbone of the B. & O. railroad was an iron road with it and the earliest vision of steam that they were willing to go ahead and organize the road a century ago.

BEATITUDES OF THE NEWSPAPER

Blessed is the man who subscribeth for his home paper, who payeth for the same and readeth it constantly. He shall grow and flourish like the green bay horse. His children shall also rise up and call him "another."

Blessed is the business man whose advertisement adorneth the columns of his home paper and telleth the cock-eyed and justly celebrated world that he is alive and still doing business at the same old stand. He meeteth competition with a smile, and he shall be like unto a man with money to burn in that day when his non-advertising competitor shall be trying to make friends with the sheriff.

Blessed is he—yea, thrice blessed above all men is the Saanich Peninsula or Gulf Island farmer who forgetteth not the newspaper man, but sendeth him a mess of home-made sausage when he slayeth his swine in winter. If there's room left among the bird-hunters and fishermen on the front seat of heaven, we hope to goodness he gets it.

Blessed is the man, or the woman, who forgetteth not to phone the newspaper when he or she hath visitors, for it is of the multitude of local happenings that the paper is made up.

Tell not the editor of the extraordinary brightness of thy son, nor boast of thy bird dog in his presence. The insane capers of thy first born are of no interest to anyone save thyself, and the editor hath a bird dog and sorrows of his own. Why add to the miseries of the poor prune?

CORRECT!

The sucker that was born every minute is grown up now but there is another crop coming on all the time. The only thing about it is that they get to be bigger suckers every minute.

ABOUT SMILES

Besides being an effective weapon against arguments, a smile is also a good thing to hand out to friends, acquaintances and all with whom you come in contact. It seldom fails to bring a smile in return and we lose nothing even by giving the perpetual frown a pleasant look, even though he refuses to return anything more than a scowl.

THE COP WAS SURPRISED WITH LAW SUIT

That Cleveland man who was awarded nearly \$4,000 damages because of a false arrest following the discovery by a policeman that the man and his wife were spooning in an automobile on a downtown street, now has a reputation that is somewhat unique. It is most extraordinary for a man to show his wife so much attention in an automobile. The wife in this case must have been as much surprised as the policeman was.

BUT SOME NEVER LEARN

Hardly a day passes that some newspaper does not give the sad information that someone has lost a large sum of money when a house burns and the accumulated wealth, which is hidden in the house, is destroyed. And usually it's someone who needs the money badly. Big business men, or good business men, do not lose that way. They keep their money in the bank.

NEWSPAPERS' VALUE RECOGNIZED

A. A. Anderson, secretary of the Pacific Coast Building-Loan Association, in an address at the Pacific States Savings and Loan Conference, recommended newspaper advertising as the most effective and economical means of reaching the public. Further, he urged that the building-loan associations throughout the United States should have a fund of at least \$1,000,000 for such a campaign.

As Mr. Anderson knows, it has been fully demonstrated that the newspaper stands by itself as a carrier of messages to the greatest possible number of people. It is the only medium that is sure to reach the citizens of a community and be read. This fact is being more fully appreciated every day.

GANGES

By Review Representative

Mr. Douglas Gibson was a passenger to Victoria by the "Royal" Monday last.

We regret to hear Mr. Joe Lundy is still a patient at the Jubilee Hospital, having been taken there several weeks ago with a neglected cold which has settled on his lungs.

Mrs. Douglas Hamilton left Ganges on Monday by the "Royal" to spend a few days at her home. West Road, Saanich.

Mr. Jack Harrison returned to Victoria on Tuesday after a short visit to Ganges.

The memorial service on Armistice Day was held in the Mahon Hall, Ipiro.

Ganges, instead of at the Shrine as previously announced owing to the heavy snow which fell all day Friday. The service was largely attended by the veterans, Guides and others and was conducted by Rev. J. W. Flinton, Rev. George Aitken and the Rev. Mr. McNaughton.

The Salt Spring Island Badminton Club held their annual dance at the Central Hall on Thursday, Nov. 10.

There was quite a large attendance and the dance was very much enjoyed by all present. Eaton's orchestra supplied the music.

Provincial Constable Marshall went to Victoria on Tuesday.

Miss Doris Taylor spent the Thanksgiving holiday at Ganges a guest of Capt. and Mrs. Best, returning to Victoria on Tuesday.

Mr. and Mrs. McNaughton have taken up the work of the United Church on Salt Spring Island, spending part of the time at Ganges and the remainder at Pender. The early part of the week they will be the guests of Mrs. J. Mouat, Ganges.

Owing to the very bad weather on Saturday last there were not many people out to the sale put on by the members of the Sunshine Guild, Ganges. The sum of \$17 was taken in throughout the afternoon.

Mr. Whallan and two pole-climbers of the B.C. Telephone Co. are busy repairing their lines after the storm Friday.

The children's fancy dress dance, Ganges, given by the Gulf Islands Hospital Board, will be held at the Mahon Hall on Saturday afternoon, Nov. 19th.

The young fellows who used to go around in their bare feet to save buying shoes, now go around in automobiles for the same reason.

If Henry wants to do the really generous thing he might name that new car of his "The Spirit of Saturday."

FULFORD
By Review Representative

Mrs. A. J. Eaton returned home from Bellingham on Thursday via Vancouver.

Owing to the very bad night there was only a small attendance out to the military 500 at the institute Hall, Fulford, on Friday—there were seven tables. The winners of the first table were Mrs. R. Maxwell, Mrs. C. Mollet, Mr. F. Ask, and Mr. Vernier Douglas, who had 22 flags left. After the cards refreshments were served in the hall. The box of home-made sweets presented by Mrs. C. Mollet was won by Mr. A. J. Eaton.

The launch "Ilo" was unable to make the return trip from Sidney Friday owing to bad weather.

Mr. and Mrs. Tom Akerman returned to Fulford on Thursday, having spent the week in Vancouver.

Mrs. Armstrong, Vancouver, was the guest of Mrs. Ayers and daughter at Fulford for a day or so last week.

Mr. J. Horel, telephone linesman, has been kept busy repairing the lines after the heavy snowstorm on Friday last which did a lot of damage.

Mr. J. J. Shaw returned to Fulford on Saturday after a visit of a few days in Victoria.

TIT - BITS from the NORTH SAANICH SOCIAL CLUB

The regular weekly card party and social evening of the North Saanich Social Club was held in the club hall Saturday night. In spite of the unfavorable weather there was a good turnout of members and friends and "500" was played at 13 tables. The ladies' prize was presented to Miss Iris Hearn and the men's to Master Wilfred Hill. At the conclusion of the game the supper committee, assisted by the younger members, served refreshments, and the remainder of the evening was spent in dancing, the music being supplied by Miss Hambley and Mr. W. Bosher.

DANCING LESSONS
Dancing lessons for children of club members, under the supervision of the Ladies' Auxiliary, at which old-time dances will be taught, will be given in the club hall on Friday afternoons at 3.30 o'clock, weather permitting.

CHECKER TOURNAMENT
The tournament on the McIntyre checker board will commence tonight (Thursday) at the club hall.

A correspondent wants to know the difference between "obtain" and "secure." That's easy. You obtain an automobile by making the first payment, but you don't secure it until you have kicked in with the last payment.

A pedestrian, says Steve Paterson, is a car owner with a wife and two daughters.

"Damn!" muttered the motorist as he ran over a tramp. "My car's on the bum again."

DUNCAN LIBERALS HEAR CAREW MARTIN

DUNCAN, B.C., Nov. 17. — The Duncan Liberal Association had as principal speaker at their "Monthly Folk" Mr. Carew Martin of Victoria who gave an interesting and informative address on "Old Age Pensions." President W. Cowie presided and on the platform besides Mr. Martin were Reeve Evans, Mrs. McMillan of Cobble Hill and Mr. C. H. O'Halloran. The ladies' committee provided dainty refreshments and an informal dance concluded the proceedings, which was largely attended.

Champion Stallions of Four Countries

1. "Lord Willington," \$10,000 Clydesdale, one of the finest Stallions ever bred in the Old Country. -- 2. W. J. McCallum, at left, about to board plane for Paris on horse-buying tour. 3. C. P. R. Freighter "Boilingbroke." 4. "Commander of Morston," an English champion included in the shipment.

What is considered to be the finest and most valuable shipment of horses ever to reach Canada arrived in Montreal recently from England and Europe on board the Canadian Pacific freighters, Bosworth and Boilingbroke. The animals are owned by W. J. McCallum of Brampton, Ont., and Regina, Sask., and represent the pick of the champion heavy horses of England, Scotland, France and Belgium, having been purchased by Mr. McCallum during a 20,000-mile motor tour of the rural areas of the British Isles and the two countries of Europe. The horses were shipped to Brampton prior to being exhibited at the Winter Fairs to be held within the next few weeks at Toronto, Chicago, Guelph and Ottawa. Some idea of the value of the large shipment, can be obtained by the fact that one of the horses included in the shipment, "Lord Willington" was purchased by Mr. McCallum for a price exceeding \$10,000. Over a quarter of a million dollars

has been invested by Mr. McCallum, in Percherons, Clydesdales, Suffolks and Belgians. His first shipment to Canada this year included 14 animals which reached Montreal in August. The owner who crossed from England this trip aboard the Metagama, personally looks after the important details in connection with the handling of his horses. Questioned as to the damage done to the horse industry through the introduction of tractors and other mechanical farm implements to take the place of horses, Mr. McCallum stated that gasoline had done all the damage to the horse industry possible. There was a scarcity of good horses in Canada and Great Britain, he said, due to the fact that the number of good horses bred had greatly decreased. He believes that the introduction of high-class animals into the country will go a long way towards stimulating the raising of better quality horses. The history of a great number of

his horses carry the record of championships won at practically all the fairs and exhibitions in Great Britain, France and Belgium. "Lord Willington," the stallion for which he paid over \$10,000, is the most valuable horse with the present lot and one of the finest horses ever bred overseas. He was the only two-year-old winning double championships in Scotland this year, being champion at the Royal Show, Newport, Scotland, and champion at the Kilmarnock Show. This stallion will go back to Scotland for breeding purposes.

Mr. McCallum's up-to-date method of engaging in the horse-buying industry is borne out by the fact that he does considerable travelling by air, and he recounts many exciting incidents when forced landings were made on account of fogs and stormy weather. His systematic tours of rural districts in England, Scotland and Europe are done, however, by motor during the summer months.
